●●●Nursery schools – FAQ (保育所(園) Q&A)

Q. Is it possible to utilize nursery centers outside the city for a convenience of workplace? (Question No.99)

A. Most children enroll in the nursery schools where they live. However, it is allowed in some occasions to enroll in other cities of your workplace in case there are difficulty of taking and picking-up because of work hours.

Q. In case I have urgent business, can nursery schools take care children for a short while? (Question No.100)

A. Short-stay program is available for people who work intermittently and those who need the service because of illness, nursing, ceremonial occasions or like. Please ask the Child Care Division (*Kosodate Shien Ka*) for information on which center operates temporal care.

Q. How much do the nursery schools cost? (Question No.101)

A. The fees of the nursery care are determined on the total amount of the custodians' income tax of the previous year. They are classified into 14 strata. Please ask the Child Care Division (*Kosodate Shien Ka*) on the phone or any other means, with *gensen* (the tax withholding slip) or any document to certify the amount of your income tax prepared at hand.
