

Do you ever have concerns about your child's everyday life?

【英語】

Suzukko Square”

We support children who may find it difficult to adjust to group settings or who have other challenges, and offer a space for families to share concerns and explore supportive approaches together.

申し込み用フォーム

Any concerns about your child?

- Difficulty communicating
- Difficulty in group settings
- Trouble staying calm or focused
- Strong preferences or routines
- Gets upset easily
- Limited eye contact
- ◆ Unsure how to support your child
- ◆ Unsure where to seek support

For Children

We offer activities that incorporate social skills training.

For Parents

Information on support services and referrals available.

- ※ Led by psychologists, public health nurses, teachers, and childcare professionals.
- ※ Social skills training (SST) helps children build skills for interacting with others.
